Jan Kubasiewicz · MassArt & the kinetic
typography Dan Boyarski · Carnegie Mellon.**

program

4.00 pm lectures

6.00 pm exhibition opening

9.30 pm open air projections

A wide dynamic graphic
usability makes it one
of the most important means
of visual communication
in the 21st century.

**2010
June
6**

project supported by
General Consulate of the United States
in Krakow
