INTERNATIONAL CALL FOR CANDIDATURE

Urban design competition for the Yujiapu District, in Tianjin Binhai New Area, China

The people's government of Tanggu District announces an international call for candidatures. From among these candidatures, **eight architectural teams** will be chosen to participate in the international ideas competition for the urban design of Yujiapu District, in Tianjin. The International Union of Architects has approved this international ideas competition, by invitation and in one stage that adheres to the UIA-UNESCO regulations on international competitions.

The people's government of Tanggu District, Tianjin municipality, is organising the competition. The urban planning programme includes the **general layout of a 3.44 km² area** and the design of a **500 000 m² financial and commercial city centre**.

The international jury is composed as follows:

Simon Allford, architect, United Kingdom, UIA representative

Stig L. Andersson, architect, Denmark

Bruno Fortier, architect, town planner, France

Michael Sorkin, architect, USA

Deci Zou, town planner, China

Kai Cui, architect, China

Zhengshan Wang, Local Government representative, China

Architects worldwide are invited to submit their candidatures until **15 October 2007**.

Documents and registration forms may be downloaded on the competition ftp server, at the following address:
